Product Specification

26mm Front Mount Angle Data Strip

Description- This Clear or Clear/Coloured extrusion is used for holding price tickets on retail shelving. This product is generally used on lower shelves to enable easier viewing of pricing. Designed to hold a 26mm price ticket, this extrusion has a high strength 12mm double-sided foam adhesive tape applied to the underside of the angled portion to enable ease of fitment to shelving. Clear front enables no-fuss scanning of tickets

Material- Rigid PVC

Standard Colours- Clear, Red, Grey, White, Yellow, Black, Blue
Custom colours can be matched to corporate colour scheme (minimum order quantities apply)

Standard length- 914mm, 1200mm
Custom lengths can be cut on line to order.

Packing Method- white cartons

Number per pack- 25 pieces per carton

Weight per pack- approx 2 kg depending on length ordered

Related product of interest- J-Strip, Hinged Adaptor, Shelf Talker Clip.
