## Product Specification

### 39mm Front Mount Angle Data Strip

**Description-** This Clear or Clear/Coloured extrusion is used for holding price tickets on retail shelving. This product is generally used on lower shelves to enable easier viewing of pricing. Designed to hold a 39mm price ticket, this extrusion has a high strength 12mm double-sided foam adhesive tape applied to the underside of the angled portion to enable ease of fitment to shelving. Clear front enables no-fuss scanning of tickets

**Material-** Rigid PVC

**Standard Colours-** Red , Grey , White , Yellow , Black , Blue  
Custom colours can be matched to corporate colour scheme (minimum order quantities apply)

**Standard length-** 914mm, 1200mm  
Custom lengths can be cut on line to order.

**Packing Method-** white cartons

**Number per pack-** 25 pieces per carton

**Weight per pack-** approx 3kg depending on length ordered

**Related product of interest-** J-Strip, Hinged Adaptor, Shelf Talker Clip.
