## Product Specification

### 52mm Flat Data Strip

**Description-** This Clear or Clear/Coloured extrusion is used for holding price/identification tickets.. Especially suited to larger, pallet racking type of applications for retail or warehousing. Designed to hold a 52mm price ticket, this extrusion has a high strength 9mm double-sided adhesive tape applied to it to enable ease of fitment to shelving. Clear front enables no-fuss scanning of tickets

**Material-** Rigid PVC

**Standard Colours-** Clear, Red, Grey, White, Yellow, Black, Blue  
Custom colours can be matched to corporate colour scheme (minimum order quantities apply)

**Standard length-** 914mm, 1200mm  
Custom lengths can be cut on line to order.

**Packing Method-** white cartons

**Number per pack-** 50 pieces per carton

**Weight per pack-** approx 6 kg- depending on length ordered

**Related product of interest-** J-Strip, Hinged Adaptor, Shelf Talker Clip
