Product Specification

PP-269 Hinged Adaptor

Description- Clear PVC extrusion that enables any strip to be hinged by utilising the co-extruded flexible clear membrane. The strip comes with 9mm double-sided tape fitted to the plain portion of the profile. The opposite end of the hinge comes with a double shoulder, giving a straight edge to stick the desired stripping to. The strip can be adhered to either side of the adaptor, depending on the configuration of final fitment.

Material- Rigid/Flexible PVC

Standard Colours- Clear

Colours available subject to minimum order quantities

Standard length- 1200mm

Custom lengths available – not in stock

Packing Method- white cartons

Number per pack- 100 pieces per carton

Weight per pack- 5 kg
