Product Specification

PP-270 Shelf Talker Clip

Description- Clear PVC extrusion that slides firmly on to the front face of any traditional data strip. This small clip enables the attachment of a shelf talker that enables attention of the shopper to be focused on the items in that area. These clips are easily removed at the end of a promotion, returning the front of shelf area to it's previous sleek appearance.

Material- Rigid PVC

Standard Colours- Blue-tint Clear

Colours available subject to minimum order quantities

Standard length- 25mm

Custom lengths available – not in stock

Packing Method- plastic bags

Number per pack- 1000 pieces per bag, 10,000 pieces per carton.

Weight per pack- approx 900g
